in chapter 1, i begin to explore the pervasiveness of violence in our lives, and how we have been socialized to look away from violence and to judge it from a distance.

however, it's so pretty and festive, i had to include it within the list.

i got water from an ionizer machine from a friend as she said it would only be good for 4 days.

if the mother was breast-fed then she is passing her mother's immune system on as well.

i had about 20 grams in my pocket and the room was full of smoke.

by rheumatic sufferers so keep a healthy frame work by uric acid synthesis of striated smooth.
